RE: Order Granting my Motion to Withdraw as Counsel
PSC Docket # 2011-158-E

Dear Commissioner Powers:

First of all, thank you for offering your wonderful talents to our state on the Public Service Commission! I am so pleased and honored to call you my Commissioner!

I need to ask you to please get one of your staff attorneys to straighten out the records at the Commission so that I will not continue to receive eService notification emails in the above-referenced matter. I'm attaching a "3rd Notice" email I received on Saturday as well as another eService Notification which I just received today.

I'm also including a copy of the Commission's Order dated March 4, 2020 which granted my Motion to Withdraw as Counsel on behalf of The Electric Cooperatives of SC and Central Electric Power Cooperative. For some reason, after my withdrawal, my name has apparently not been removed from the email list for eService notifications in this matter, and I continue to get served with notifications.

Rather than simply ignoring the notifications, I think the more responsible course of action is to respectfully ask the PSC staff to correct the records and remove me.

Thank you so much and I wish you all the best as you serve the citizens of the 7th Congressional District. With kindest personal regards, I am

Sincerely,

Douglas Jennings, Jr.
